

Map Objectives

- Area within 100m of Coastline Vulnerable to Erosion
- Designated Shellfish Waters

Fingal Ecological Network:

- County Boundary
- Special Areas of Conservation - SAC
- Special Protection Area - SPA
- Natural Heritage Area - pNHA/NHA* *Note: Shinnis Islands are the only NHA Designation in Fingal
- Annex I Habitat
- Ecological Buffer Zone
- Nature Development Area
- River
- Ecological Corridors along Rivers
- Ramsar Conservation Wetland
- Statutory Nature Reserve
- Refuge for Fauna
- Flora Protection Order (1999) Site
- Fingal Rare Flora Site

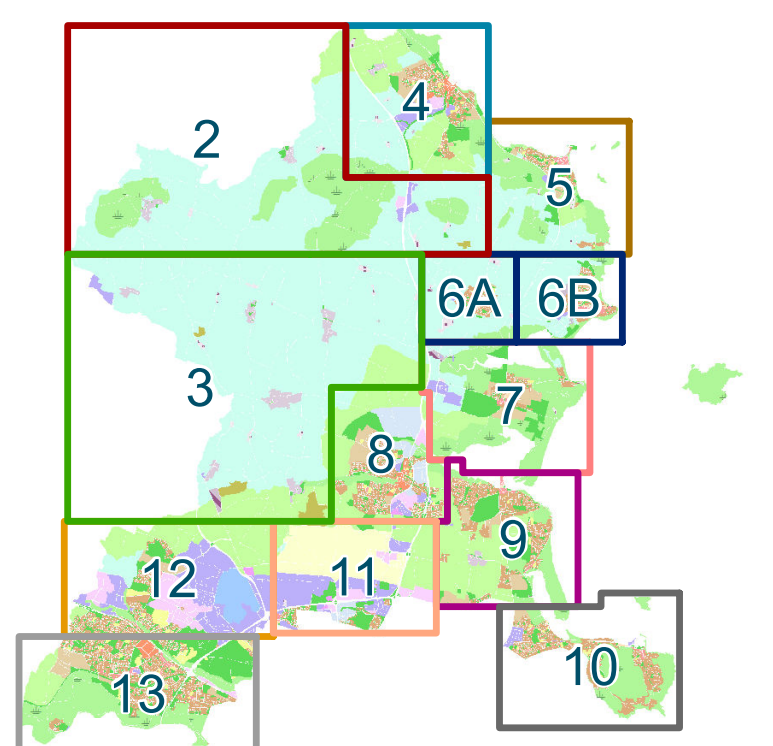

See Index / Strategy Sheet 1 for Zoning Descriptions

Green Infrastructure Mapped Objectives

- Seek the expansion of existing woodlands at Hampton, Ardglilan and Milverton demesnes
- Seek the establishment of a wetland corridor between the Bog of the Ring and the Dalvin River
- Prepare and implement a management plan for the Bog of the Ring proposed Natural Heritage Area (NHA) and the surrounding area
- Implement the masterplan for Rogerstown Inner Estuary and develop and implement a masterplan for Rogerstown Outer Estuary
- Prepare ecological management plan for Corballis and Elm Green golf clubs
- Prepare and implement a masterplan for Malahide Estuary
- Subject to full Appropriate Assessment the development of a boardwalk at Cow's Marsh, Malahide as part of the Fingal Coastal Way
- Prepare and implement a masterplan for the Tolka Valley Park and the Ward River Valley Park
- Maintain the verge along the coast road between Portmarnock & Malahide as a wildflower meadow
- Seek the establishment of a wetland corridor between the Tolka and Ward rivers via the Pinkeen stream
- Develop and implement a Nature Conservation Plan for Howth Head Special Amenity Area
- Seek the establishment of an amenity and wildlife corridor between the River Liffey and the Royal Canal
- Protect and enhance calcareous grassland habitat in the Liffey Valley
- Develop a demonstration project on floodplain habitat development and management at St. Catherine's Park, Liffey Valley
- Seek to expand and connect existing woodlands in the Liffey Valley
- Maintain the low-lying and open character of the landscape, and preserve and protect wetlands and estuarine marsh lands free from inappropriate development, including land reclamation, within the High Amenity Zoned Area around Rogerstown Estuary. In this regard no such development shall take place in this area without a prior grant of planning permission
