Planning Application Form

Planning Application Form

BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each section of this application is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to your application form.

ADDITIONAL INFORMATION

It should be noted that because each planning authority has its own development plan, which sets out local development policies and objectives for its own area it is necessary for Fingal County Council to require supplementary information (i.e. other than that required on this form) in order to determine whether the application conforms with the development plan.

Failure to supply the supplementary information will not invalidate your planning application; it may delay the decision-making process or lead to a refusal of permission. In case of doubt, applicants should contact Fingal County Council Planning Department to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

DATA PROTECTION

The planning process is an open and public one. In that context, all planning applications are made available for public inspection and we (the planning authority) publish weekly lists of planning applications received as well as weekly lists of planning decisions. It is the policy of Fingal County Council to also place this information on its website.

It has come to our attention that the publication of certain information of planning applications by Planning authorities can lead to Applicants and Practitioners being targeted in the business sector in direct marketing arising from the lodging of a Planning Application.

Following further discussions between the Department of Environment, Community & Local Government and the Officer of the Data Protection Commissioner, all information supplied with this application from under "Contact Details" (on page 10) will not be placed on the website.

"The use of personal details of planning applicants, including for marketing purposes, may be unlawful Under the Data Protection Acts 1988 – 2003 and may result in action by the Data Protection Commissioner Against the sender, including prosecution."
