### 3. How does the Scheme work?

The main points of the scheme are as follows:

- The scheme is for first time buyers who cannot afford to purchase a home at its market value. *\*Some exceptions apply*
- Applicants who are married, in a civil partnership or in a committed relationship with a partner with whom he/she intends to live in the affordable dwelling, may not apply for an affordable dwelling on his/her own but must apply jointly with his/her spouse/partner.
- To participate in the scheme, applicants will be required to maximise their mortgage drawdown capacity (4 times a household income), from a participating lender or Local Authority Home Loan. *\*Participating banks include AIB and its Haven subsidiaries, EBS, Bank of Ireland, Permanent TSB & Community Credit Union Limited.*
- The maximum financial support (equity share) available on each home will be established by Fingal County Council and can be viewed [here](#).
- All purchasers will sign up to an 'Affordable Dwelling Purchase Agreement' with Fingal County Council. Under this agreement, the Council will take a percentage equity share in the dwelling, equal to the difference between the market value of the dwelling and the price paid by the purchaser.
- The purchaser can buy out this equity share at a time of their choosing but there will be no requirement to do so.
- The Council may not seek realisation of its affordable dwelling equity for a 40-year period (other than for breach of the agreement). However, the purchaser may choose to redeem or buy out the affordable dwelling equity at any time by means of one or a series of payments to the Council. The minimum amount of redemption payment is €10,000.
- If the purchaser chooses not to redeem the equity share while living in the home, the local authority can do so when the property is sold or transferred, or after the death of the owner.

## 19. How is the affordable purchase price calculated?

Fingal County Council, in line with the Affordable Housing Regulations, will set a minimum price that the affordable properties can be sold for. Applicants must be able to provide evidence that they can afford to pay at least the minimum. The final affordable purchase price to be paid by an applicant will all depend on that applicant's purchasing power and their ability to raise the relevant finances.

The below tables show examples of varying incomes and how they determine the potential purchasing power of a buyer.

The decision on your application is made by Fingal County Council in accordance with the eligibility criteria and the [Council's Scheme of Priority](#). Homes will be allocated on a First-Come, First-Serve basis.

## 21. What is the Scheme of Priority?

A Scheme of Priority was approved by the Elected Members of Fingal County Council on 13th June 2022. The Scheme of Priority outlines a methodology to be applied to determine the order of priority accorded to eligible households where the demand for such arrangements exceeds the dwellings or resources available. The main points are as follows:

- The property must be suited to your household's need.
- In relation to 100% of the dwellings, the date and time of application will be one of the criteria on which eligible applications will be prioritised under the Council's Scheme of Priority i.e., properties will be allocated on a first come first served basis.
- In relation to 30% of the dwellings, priority will be given to eligible applicants based on any person making the application being or having been resident in the administrative area of Fingal County Council for a minimum period of 5 years.

## 22. If I am successful, will I be able to choose which property I want?

If you are successful, and after you have received your offer letter from Fingal County Council, your details will be passed over to our Selling Agent, **Sherry FitzGerald Cumisky Kelly**. The preference of applicants for a particular property & location within the scheme will be based on affordability and the confirmed order of merit following the assessment of applications by Fingal County Council.

When your property is assigned, you will be required to pay a booking deposit of €3,000.

All successful applicants will be required to obtain independent legal advice and pay their own legal costs to process the sale of the property. These and other associated costs must be considered when applying.

## 23. What is the Affordable Dwelling Contribution?

The Affordable Dwelling Contribution is the amount paid by Fingal County Council towards your purchase of an affordable home. This refers to the monetary amount that the Council will pay.

The Affordable Dwelling Contribution is the difference between the combined total of the purchaser's deposit, maximum mortgage capacity and savings where relevant and the market value of the home as per date of offer.

## 24. What is the Affordable Dwelling Equity Share?

The Equity Share is simply the contribution that the Council provide expressed as a percentage.

It is the percentage of the market value that Fingal County Council will contribute to the purchase of the affordable property. This will be at least 5% of the market value. This entitles the Council to the same percentage in value of a future sale of the property subject to terms and conditions. It does not establish the Council as a co-owner of the property.

## 25. What is a Redemption Payment?

A Redemption Payment is a payment that is made by the Purchaser to Fingal County Council to pay back the Affordable Dwelling Contribution that was provided. Redemption Payments are subject to certain conditions which are outlined in the Affordable Dwelling Purchase Agreement. The minimum redemption payment is €10,000. The purchaser can redeem or 'buy out' the equity share at a time of their choosing, but there is no obligation to do so. If the purchaser chooses not to redeem the equity share while living in the home, the Council can do so when the property is sold, transferred, or after the death of the owner.

## 24. Can I rent out the property?

The Local Authority Equity is provided to homebuyers who intend to make the property their Principle Private Residence.

## 25. What is an Affordable Dwelling Purchase Agreement

The Affordable Dwelling Purchase Agreement is the legal contract between the Council and the purchaser setting out the terms and conditions under which the Council provides the Affordable Dwelling Contribution.

Each successful applicant will enter into an Affordable Dwelling Purchase Agreement with Fingal County Council. This will be prior to or at the same time as the closing of the purchase of their affordable home. The agreement covers the obligations of the purchaser and the Council and makes provision for the registration of the agreement with the Registry of Deeds/Land Registry. The agreement will also set out how and when the homeowner can make redemption payment(s) to reduce the Council's affordable dwelling equity share as well as the conditions under which the Council may seek redemption of the affordable dwelling equity.

Successful applicants will be required to enter into a Contract for Sale with the developer in order to complete the purchase of the affordable home. This Contract for Sale will include all standard conveyancing terms and conditions.

***Applicants should note that giving untrue/incorrect information on their application may lead to the Affordable Dwelling Purchase Agreement being terminated and the offer to purchase being withdrawn.***
